Technical Rider

DIE UKRAINIENS (6 persons) need following technical requirements for the stage performance:

- 1 x stage with PA-system / mixing console!!!
- sound technician
- at least 4 monitor speakers on stage with at least 4 separate adjustable monitor paths

Following instruments are playing:

- 3x vocals
- 1 x acoustic guitar (without amplifier, DI unit with direct input to the mixing console)
- 1 x bass guitar (with amplifier, via Line In to the mixing console)
- drums (snare, bass drum, 2x tom drum, 2x overhead if necessary)
- 1 x saxophone (clip-on microphone brought by us, Phantom power)
- 1x trumpet (clip-on microphone brought by us)
- 1 x accordion (2 x microphones brought by us, Phantom power)

Altogether **14 sound tracks** are needed for the complete stage sound.

Dear event manager and sound technician, please do not hesitate to contact us with any questions and concerns, so that we can guarantee a trouble-free event!

Thank you!
